Overall Graphic Area
860mm (w) × 1970mm (h)

Visual Area
Keep information within the Red Line

Bleed Area
920mm (w) × 2030mm (h)

Optional Shelving Installation Area:
Keep information outside of Red Band

Linear

The diagram shows a vertical rectangular layout. A solid green line forms the outermost border. Inside this, a dashed black line follows the same path but is slightly offset. The central area is white. A horizontal red band is positioned in the middle of the page. The text is centered within this red band.

Optional Shelving Installation Area:
Keep information outside of Red Band
